CONFERENCES

International Conference on
**ADVANCED MATERIALS,
NANOSCIENCE AND
ENGINEERING 2026**

June 12-13, 2026 | Online Event | London, UK

*Theme: "Innovating Materials and Nanoscience
for Sustainable Engineering Solutions"*

Conference Details

- **International Conference on Advanced Materials, Nanoscience and Engineering 2026**
- **June 12-13, 2026 | Online Event | London, UK**
- **Visit: <https://materialsscience.globemeetconferences.com/>**
- **Abstract Submission Deadline: May 18, 2026**
- **Submit your Abstract at here: <https://materialsscience.globemeetconferences.com/abstract/>**
- **Registration Link: <https://materialsscience.globemeetconferences.com/registration/>**

CONFERENCES

Invitation

Dear Participants,

We are delighted to welcome you to the International Conference on Food Science & Public Health 2026!

This global virtual gathering brings together top researchers, clinicians, industry experts, and students for:

 Innovative Research |  Expert Talks |  Networking |  Knowledge Exchange

Whether you're here to present, learn, or connect, this event is designed to deliver exceptional value.

Make the Most of It:

-  Engage actively Share
-  your insights
-  Network globally

Thank you for being part of this mission to advance food science.

CONFERENCES**

About Globemeet Research Conferences

 **Welcome to Globemeet Conference**

Advancing Science, Engineering & Technology for a Better Future

About Globemeet

A global platform promoting cutting-edge research, innovation & collaboration across Science, Engineering, and Technology.

 **Why Attend?**

Knowledge Sharing

 Keynote Talks, Poster Sessions & Interactive Workshops

Global Networking

 Connect with researchers, industry leaders & policymakers

Exclusive Benefits

-  Session Chair Opportunities
-  Indexed Speaker Profiles
-  Certification & Awards
-  Career Development Sessions
-  Funding & Sponsorship Options

GLOBEMEET
RESEARCH
CONFERENCES

Our Mission & Vision

Vision:

Revolutionize global research collaboration & address real-world challenges.

Mission:

Deliver high-quality academic conferences

Empower researchers globally

Why Choose Us?

Focused Networking

 Meaningful dialogue & brainstorming with experts

Unmatched Expertise

 Learn from Nobel Laureates & top academicians

Global Reach

 55+ countries represented

Unique Features

✓ Research Presentations

✓ Career Guidance

✓ Industry Exhibitions

✓ Publishing Opportunities

Sessions & Tracks

Track 1: Nanomaterials and Advanced Applications

Track 2: Biomaterials and Healthcare Innovations

Track 3: Polymers and Functional Smart Materials

Track 4: Ceramics and High-Performance Materials

Track 5: Composite and Hybrid Materials

Track 6: Metal Alloys and Structural Durability

Track 7: Energy Materials and Storage Technologies

Track 8: Thin Films, Coatings, and Surface Engineering

Track 9: Additive Manufacturing and 3D Printing Materials

Track 10: Smart and Responsive Materials

Track 11: Photonic, Optical, and Electronic Materials

Track 12: Sustainable and Eco-Friendly Materials

Track 13: Materials Characterization and Advanced Testing

**GLOBEMEET
RESEARCH
CONFERENCES**

Track 14: Functional Nanostructures – Design and Fabrication

Track 15: Computational Materials Science and Simulation

Track 16: Artificial Intelligence and Machine Learning in Materials Engineering

Track 17: Structural Materials and Mechanical Behavior

Track 18: Materials Processing and Manufacturing Technologies

Track 19: Corrosion Science and Environmental Degradation

Track 20: Materials for Aerospace and Automotive Engineering

Track 21: Materials for Construction and Infrastructure

Track 22: Sensors, Actuators, and IoT-Enabled Materials

Track 23: Catalytic, Environmental, and Chemical Engineering Materials

Track 24: Industrial Applications and Technology Transfer

Track 25: Emerging Trends and Future Materials

Registrations

Other Categories

| Category | Price | Description |
|----------------------------|-------|----------------------------|
| E-Poster Presentation | \$49 | Displayed during the event |
| Video/Virtual Presentation | \$99 | Pre-recorded/Live Sessions |
| Only Registration | \$129 | Early Bird Registration |

Venue

 **Date: June 12–13, 2026**

 **Format:** Online Virtual Conference

 **Theme:** *"Innovating Materials and Nanoscience for Sustainable Engineering Solutions "*

Why Attend Virtually?

-  Join from anywhere – no travel needed
-  Lower costs, greater accessibility
-  Environmentally friendly platform
-  Broader global participation

Join us online and be part of this global gathering of minds advancing the future of Advanced Materials, Nanoscience and Engineering! Contact Us
